INFORMATION FOR VOLUNTEERS INTERESTED IN BOARD OR COMMITTEE MEMBERSHIP

Mission Statement Scarborough Women's Centre (SWC) delivers programs and services to promote positive change for women in a safe, inclusive and welcoming environment. The Centre empowers women to become economically and emotionally independent for future success and to strengthen their local communities, free from violence.

Mandate of the Board A non-profit charitable organization (#10875-9660-RR0001) established in 1982 and incorporated in 1983, SWC is managed by a community-based, volunteer Board of Directors who set policy, plan, and ensure that adequate resources are available to fulfill our mission. There are up to 12 Board members. The Board meets regularly with the Executive Director to monitor agency progress and needs, and provide direction. The ED is responsible for day-to-day operations and is a resource to the Board. Board members do not engage in direct service activities with clients.

Board Application process The Nominations process involves submitting a current resume and/or letter indicating interest, followed by an interview with the Nominations committee in April through June. References will be requested. The current Board will review the applications at its July meeting, and bring recommendations to the membership at the Annual General Meeting. The Membership elects Board members at its Annual General Meeting each fall, for terms of three years. Should a vacancy arise, it may be filled through election by Board members at their monthly meeting, and ratified by the Membership at the next General Meeting. A New Board Member Orientation is offered to incoming Board members. We are looking to interview in Spring 2019 for election at the AGM in September.
