## Scarborough Women's Centre

Financial Statements
For the Year Ended March 31, 2021

## INDEPENDENT AUDITOR'S REPORT

## To the Board of Directors of Scarborough Women's Centre

We have audited the accompanying financial statements of Scarborough Women's Centre which comprise the statement of financial position as at March 31, 2021 and the statement of operations and changes in fund balances and statement of cash flows for the year then ended and a summary of significant accounting policies and other explanatory information.

## Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

## Basis for Qualified Opinion

In common with many charitable organizations, the Centre derives revenue from various levels of the government and general public in the form of grants, donations from foundations and individuals and fundraising activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the entity and we were not able to determine whether any adjustments might be necessary to grants, foundations and individual donations, and fundraising revenue, excess of revenue over expenses and cash flows from revenues and expenses for the year ended March 31, 2021, and assets as at March 31, 2021 and net assets as at April 1, 2020, and March 31, 2021.

## Qualified Opinion

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Scarborough Women's Centre as at March 31, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

## Unaudited Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplementary information included in Schedule A through B is presented for additional analysis purposes and is not a required part of the financial statements. Although such supplementary information has been subject to the auditing procedures applied in the audit of the financial statements, these supplementary schedules are unaudited.

## 1. NATURE OF ORGANIZATION

Scarborough Women's Centre (the "Centre") empowers women to become economically and emotionally independent for future success and to strengthen their local communities, free from violence. The Centre delivers programs and services to promote positive change for women in a safe, inclusive and welcoming environment. The Centre was incorporated under the laws of the Ontario Business Corporations Act as a not-for-profit organization in 1983 and amalgamated with The SWAN Shelter for Women and Their Children Inc. in 1999. The Centre is a registered charity under the Income Tax Act and as such, is exempt from income taxes.

## 2. SIGNIFICANT ACCOUNTING POLICIES

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations. Outlined below is a summary of the significant accounting policies followed by the Centre:

## Revenue recognition

The Centre follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue when the related expenses are incurred and unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

## Fund accounting

The Core Operations (General Operating Fund) accounts for the Centre's program delivery and administrative activities. This fund reports unrestricted resources from various levels of the government and general public in the form of grants, donations from foundations and individuals, membership fees and fundraising restricted to operational activities.

The Centre operates various Special Projects (Restricted) funds for which it receives grants from the federal government, foundations, fundraising and donations, which are restricted for the specific use of a project.

## Allocation of expenses

The Centre records a number of its expenses by function as disclosed in the supplementary financial information per Schedule A and B. Overhead and administration expenses are allocated to special projects based on a reasonable estimate of time spent and resources used based on contractual terms of agreement with funders.

## 2. SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

## Capital assets

Capital assets are recorded as expenses in the year they are acquired.

## Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Actual results could differ from those estimates.

Significant areas requiring the use of management estimates relate to the determination of expense allocations.

## Contributed services

Volunteers contribute an undeterminable, but substantial number of hours during the year to assist the Centre in carrying out its mission. Due to the difficulty in determining their fair market value, contributed services are not recognized in these financial statements.

## Financial instruments

The Centre initially measures its financial assets and liabilities at fair value, except for certain non-arm's length transactions which are measured at either the exchange value or carrying amount.

The Centre subsequently measures all its financial assets and financial liabilities at cost or amortized cost.

Financial assets measured at cost or amortized cost include cash, short term investments and grants/funding and other receivables. Financial liabilities measured at cost or amortized cost include accounts payable and accrued liabilities.

## 3. SHORT TERM INVESTMENTS

The Centre holds $\$ 127,238$ (2020- $\$ 125,444$ ) in a guaranteed investment certificate yielding interest of $0.20 \%$ (2020-1.43\%) per annum and with a maturity date of October 15, 2021. As at March 31, 2021, interest accrued on the short-term investments is $\$ 180(2020-\$ 823)$ and is included in grants/funding and other receivables.

## 7. FINANCIAL RISKS

The Centre's financial risk exposure and the impact of the Centre's financial instruments are summarized below:

## (a) Credit risk

Credit risk refers to the risk that a counterparty may default on its contractual obligations resulting in a financial loss.

The Centre's credit risk is attributed to its grants/funding and other receivables. Grants/ funding and other receivables consists of amounts due from fundraising activities and a portion of grants held back. The Centre considers credit risk to be low. There has been no change to the credit risk exposure from the year ended March 31, 2020.

## (b) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in raising the funds to meet commitments associated with its financial liabilities.

The Centre mitigates this risk by maintaining sufficient cash and other short-term assets readily convertible into cash in order to meet its liabilities as they come due. The Centre's cash is held in accounts with a Canadian bank. The Centre considers liquidity risk to be low. There has been no change to the liquidity risk exposure from the year ended March 31, 2020.

## 8. RESTRICTED FUNDS

The restricted funds represent internally restricted amounts designated by the Board of Directors and is the financial reserve for compensation of a program manager employee of the Centre. Internally restricted amounts include donations given to the Centre that have been transferred to the restricted funds by the Board of Directors. These funds will become available subject to approval from the Board of Directors.
9. COVID-19

On March 11, 2020, the COVID -19 outbreak was declared a pandemic by the World Health Organization. This has resulted in governments worldwide, including the Canadian and Ontario governments, enacting emergency measures to combat the spread of the virus. The Centre was deemed an essential service by the Ontario government and continues to support women through the pandemic while taking the appropriate measures as recommended by government and international agencies. The Centre received support by

all levels of government, foundations, corporate and group donors, and individuals in the community. This has allowed the Centre to provide consistent and growing support to women in the community during the year ended March, 31, 2021. However, the current challenging economic climate could lead to potential decreases in revenue from government and general public grants, donations from foundations and individuals, and fundraising activities, which may also have a direct impact on the Centre's operating results and financial position in the future. The situation is dynamic and the ultimate duration and magnitude of the impact on the economy and the financial effect on the Centre is not known at this time.
