Now that the Summer semester has ended, we thought women would enjoy some pop-up webinars while we wait for the Fall semester to start in October. This flyer describes them. All women are welcome!

In response to the physical distancing restrictions SWC is offering webinars through the Webex Events platform. You can participate in these webinars from your home, using your computer or mobile device. If you don't have a reliable internet connection, you have the option to call in and listen to the webinar on your phone.

Sign up through the form on our website (scroll down to the bottom of the page and be sure to fill out each section): scarboroughwomenscentre.ca/workshops/. We will send you the link and password along with the call-in information if you would rather listen on your phone. You can also register by calling 416-439-7111 x 107. Please note that you need a current email address that is regularly checked, in order to sign up for SWC webinars. After the webinar you will be asked by email to complete a brief online evaluation.

REAL-TIME CAPTIONING IS NOW AVAILABLE FOR SWC WEBINARS!

Real-time captioning will be provided at SWC webinars BY REQUEST as part of our ongoing commitment to promote greater accessibility and inclusion at Scarborough Women’s Centre (SWC).

What is real-time captioning?
Real-time captioning ensures everything that is said during a webinar is converted into live captions that are displayed on participants’ computer screens. A full transcript of the captions is then provided to Scarborough Women’s Centre (SWC).

How to Request real-time captioning at SWC?
Please register for our webinars as soon as possible and let us know that you would like real-time captioning when you register.

If you are registering online, please indicate on the contact form that you would like real-time captioning. If you are registering by phone, please let the person that you are talking to know that you would like real-time captioning.

Note: A minimum of TWO WEEKS notice is needed to secure real-time captioning. This is because captioning service providers have seen an increase demand for service during the COVID-19 pandemic and may be unable to fulfill last minute requests.

Please contact Melissa Simas by email: program@scarboroughwomenscentre.ca or phone: 416-439-7111 x 103, if you have any questions about Real-time captioning.
